more than 20 employees.*

- The E-waste (Management) Rules, 2016 is applicable to every manufacturer, producer, consumer, bulk consumer, collection center, dealer, e-retailer, refurbisher, dismantler, recycler involved in manufacture, sale, purchase and processing of electrical and electronic equipments (EEE) as listed in **Schedule-I** including their components, etc.
- Under section 9 of the said Rules, it is obligatory on the part of bulk consumers of EEE listed in Schedule- I to ensure that-
 - i. E-waste generated by them is channelized through collection centers or dealers of registered producers, dismantlers or recyclers or through the designated take back service providers of the producers;
 - ii. Records of e-waste generated are maintained in **Form-2** and are made available for scrutiny to State Pollution Control Board;
 - iii. **Annual return** in **Form-3** is submitted to the Board **on or before 30th June**, for each financial year.

Failure to comply with above obligations is punishable offence under section 15 of E (P) Act, 1986.
