VENUE: Proposed site at NH-31, Mahadeopur Phulari, Bihta, Patna, District-Patna.

Date & Time: 20th Dec, 2021; At: 11.30 A.M.

The following officials attended the Public Hearing:

1. Sri Vinayak Mishra, ADM, Representative of D.M, Patna; and
2. Sri Anil Kumar, Regional Officer, BSPCB, Patna.

The following proponents/officials/representatives attended the Public Hearing:

1. Sri Ajay Kumar Jhunjunwala, Director of the unit-M/s Balmukund Concast Pvt. Ltd.;
2. Sri Sanjay Kanodia of the unit-M/s Balmukund Concast Pvt. Ltd., Patna; and
3. Dr. Shibeswar Prasad, Env. Consultant of the Project, PARAMARSH, Lucknow.

Number of persons participated in the Public Hearing was 80 and their list is enclosed as Annexure-I.

Sri Vinayak Mishra, ADM, Patna welcome the representatives of the project proponent, public and other participants in the public hearing and initiated with introduction about the project. He informed about type expansion project of unit that-capacity is to be increased, opinion of public is to be gathered about expected air/water/noise pollution etc. Explained that 2% of the project cost is to be expensed for CSR and your suggestion in this regard also needed. Thereafter, he invited the project proponent's representative/consultant to explain regarding the proposed project from environment point of view.

Dr. S. Prasad, EIA Consultant of the project explained the project details and highlighted the following:-

- Described about the project salient features, baseline environmental data & conditions within 10 km radius. He stated that water/air/soil samples were collected and analyzed, assessed about raw materials requirement and waste water generation/emissions in air.
- Informed that proposed expansion project of unit shall be based on modern technology; total land area available with the unit is 10 acre, no additional land is required. In existing unit there are two induction furnaces (each capacity-5 TPH) and one furnace of capacity-12 TPH with two re-rolling mills functional.

A/S

AP

In expansion project two induction furnaces (5 TPH each) shall be replaced by 15 TPH with continuous Casting Machine (CCM) with modernization/new establishment of re-rolling mills. Fume extraction with dust collection system shall be installed for particulate matter emission from furnaces & mills. Online continuous emission monitoring system shall be installed with latest technique & alert system; cooling water shall be recycled; waste management system shall be followed, statutory permission for abstraction of ground water shall be obtained from competent authority; and

- Also stated that employment will be generated from the project and employment preference will be given to local people or as per the Rules.

Response of the Public & their opinion:

In the public hearing following persons have expressed their views/opinions as given below:

1. **Sri Ashok Singh**, Village-Pitamber Nagar, Bihta: Asked about employment of how many people.
2. **Sri Naveen Kumar**, Village-Koraha, Bihta: He asked what unit will do for local villagers & society.
3. **Sri Sahdeo Roy**, Ex Mukhiya, Bihta and **Sri Ramanand Ram**, Mahadeopur Panchayat: Stated that more industries are to be established for development of village & local area.
4. **Sri Madan Kumar Singh**, Village-Deokuli, Bihta and **Sri Rajan Jha**, Sri Rampur, Bihta: How local people will get benefit from the unit. They should continue to do for betterment of local villagers.

Reply of project representative:- Stated about benefits due to the unit in light of employment, development of the area under the CSR scheme etc.

Lastly, representative of the unit was grateful to all present in this public hearing and expressed that he has noted all points discussed today and prompt action shall be taken on them to ensure early.

Conclusion:

Overall views of the public participated in the hearing were in favor of the project with adequate water/air/noise & waste management facilities.

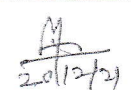

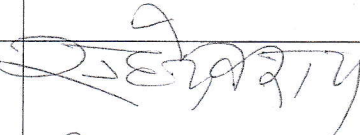

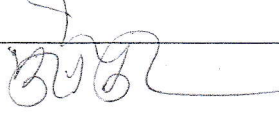

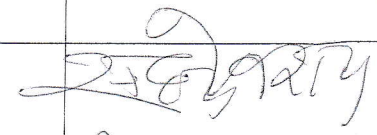

The proceedings of the public hearing are recorded and video taken. The same shall be submitted to all concern and the authority for necessary action.
