---

**VENUE:** Proposed site at Abdul Rahman Road, Didarganj, Patna City, District-Patna-800 009.

**Date & Time:** 15<sup>th</sup> Dec, 2021; At: 10.30 A.M.

**The following officials attended the Public Hearing:**

1. Sri Vinayak Mishra, ADM, Representative of D.M, Patna;
2. Sri Anil Kumar, Regional Officer, BSPCB, Patna; and
3. Sri Thakur Prasad, DIC, Patna.

**The following proponents/officials/representatives attended the Public Hearing:**

1. Sri Prashan Bhartia, Director of the unit-M/s Dina Iron and Steel Ltd., Patna;
2. Sri Dipak Singh of the unit-M/s Dina Iron and Steel Ltd., Patna; and
3. Sri Muzaffar Ahmad, Consultant of the Project, Rian Enviro Pvt. Ltd., Raja Bazar, Patna.

**Number of persons participated in the Public Hearing was 59 and their list is enclosed as Annexure-I.**

Sri Anil Kumar, Regional Officer, BSPCB, welcome the ADM, Patna, local public present, project proponent and other participants in the public hearing and initiated with introduction about the project. He informed about importance of public hearing for Environmental Clearance of the proposed expansion project in such a rural area and its benefits to the local people.

Sri Vinayak Mishra, ADM, Patna welcome the representatives of the project proponent, public and other participants in the public hearing and initiated with introduction about the project. He informed about type of unit proposed to establish, location of the unit, capacity of the unit, raw material to be used, opportunity of direct and indirect employment and socio economic benefits of the area. Thereafter, he invited the project proponent's representative/consultant to explain regarding the proposed project from environment point of view.

Sri Muzaffar Ahmad Consultant of the project delivered a presentation and he highlighted the following:-

- Described about the project salient features, baseline environmental data & conditions within 10 km radius. He stated that water/air/soil samples were collected and analyzed, assessed about water/coal requirement and waste water generation/emissions in air.

- Informed that proposed expansion project of unit shall be based on modern technology; area required is adequate and 33% of which shall be left for green belt development; online emission monitoring system shall be installed with latest technique & alert system; cooling water shall be recycled; statutory permission for abstraction of ground water shall be obtained from competent authority; adequate facilities shall be provided & adopted for heating purpose so that emission of particulate matter (PM) shall be minimum. Project shall be implemented/established by following all statutory norms as prescribed under the Rules; and
- Also stated that employment will be generated from the project and employment preference will be given to local people or as per the Rules.

**Response of the Public & their opinion:**

**In the public hearing following persons have expressed their views/opinions as given below:**

1. **Sri Kapildev Prasad Bhagat**, Village-Didarganj: Stated that waste water of the existing unit was being discharged behind the unit and nearby habitants were suffering from water logging problems. He stated that we are residing in vicinity of the unit and there was air pollution due to the existing unit.  
**Reply of project representative:-** Stated that water is not being used in process, it is required only for cooling purpose and they are being recycled. Only make-up water is required and no effluent is being discharged outside the campus and it shall be continued to ensure in future also.
2. **Sri Pradip Kumar & Sri Sunder Kumar**, Village-Noorpur, Katra: Stated that we are living in surrounding of the unit. He asked what unit will do for air pollution control.  
**Reply of project representative:-** Stated that effective fume collection system, bag-filters, wet scrubber etc shall be established with the expansion project. They shall be of modern technology and online monitoring for emission system shall be provided with alert system.
3. **Sri Arvind Kumar**, Village-Noorpur, Katra: Stated that common road is used by both the unit and people living nearby. Road condition is very bad, it gets muddy and accident prone during rainy season while in summer it is very dusty due to movement of heavy trucks.  
**Reply of project representative:-** ADM, Patna asked to the Director of unit to contact local municipal body of the area for construction of the road.
4. **Sri Jai Praksh Mishra**, Noorpur, Katra: What are benefits of this factory.  
**Reply of project representative:-** Local people shall be employed on the basis of their merit, as per guideline of corporate responsibility and as per provisions of the Rules. Employment/engagement generation shall take place, demand of human resource will increase etc.

Lastly, representative of the unit was grateful to all present in this public hearing and expressed that he has noted all points discussed today and prompt action shall be taken on them to ensure early.

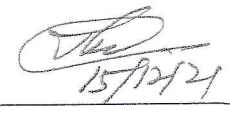

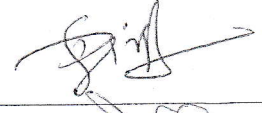

The proceedings of the public hearing are recorded and video taken. The same shall be submitted to all concern and the authority for necessary action.
